Packing 101: Light is Right! Keeping your kids mobile in the field greatly enhances their experience. Synthetic materials are best. They pack small, wick moisture, dry fast and are warmer. Cotton gets wet, is heavy and should be avoided if possible. Llama Trekking will re-pack their backpacking packs on Tuesday morning and place some of their gear in the llamas' panniers. With nearly 1,000 kids, 20+ vehicles and over 100 programs this summer it is essential to **LABEL EVERYTHING!**
